

Inclusion Criteria for the Inventory of Essential Skills Initiatives

The project must:

- Include First Nations, Inuit, and Métis youth and/or adult participants
- Have an Indigenous focus
- Address at least any 3 of the 9 Essential Skills
 - May focus on 1 ES (if intake procedure permits 2+ ES to be addressed elsewhere)
- Include any of the following ES activities: awareness-building, ES assessment, development of learning plans, development of ES tools and/or ES training or skills development
- Include fly-in/remote, urban, prison, reserve, or band community based initiatives

The project may be in operation, not yet fully implemented, or no longer funded.

The Project Inventory includes 3 Types of ES Initiatives:

- Direct service programs
- Indirect service programs
- ES Resources and/or tools
